

## AGRIEVOLUTION

4<sup>th</sup> World Summit on Agriculture Machinery
December 5-6, 2013 ~ FICCI Conference Center, New Delhi, India
Federation of Indian Chambers of Commerce and Industry
Tentative Conference Programme

THU DEC 5	DAY ONE: GLOBAL FOOD SECURITY AND FARM MACHINERY		
	MODERATOR	TBD	
	Welcome	Ms. Naina Lal Kidwai, President, FICCI (confirmed)	
	Introduction Opening Address	Alain Savary, Agrievolution Chair and General Manager, French Association for Industrial Agricultural Equipment (AXEMA) (confirmed)	
		Sharadchandra Govindrao Pawar, Minister of Agriculture, Government of India (invited)	
2.00 – 3.30 pm		Session I: Global Scenario on Food Security and Challenges	
TOPICS:	World Agriculture Today (Food Security, Food Prices, Technologies) World Agriculture Tomorrow (Collective Challenges of Energy, Climate, Water, etc.) Agri Innovations in the Context of Climate Change		
		<u>Panel Discussion</u> Ministers of Agriculture from key countries (invited)	
		Shri Ashish Bahuguna, Secretary of Agriculture, Government of India (confirmed)	
		Dacian Cioloş, Commissioner, European Commission Directorate General for Agriculture and Rural Development (invited)	
		José Graziano da Silva, General Secretary, and other Leadership, Food and Agriculture Organization of the United Nations (invited)	
4.00– 5.30 pm		Session II: Role of Farm Machinery in Global Food Security	
TOPICS:	Farm machinery's role in increased productivity Farm machinery's future in global food security (increased production, labor shortages) Farm machinery's solutions to global agricultural challenges		
		<u>Presentations &amp; Panel Discussion</u> Insights into Brazil's Agriculture Revolution – TBD	
		Future Trends in Renewable Energy – Executive, SEKO Logistics (invited)	
		<b>Socio Economic Impact of Agriculture Machinery</b> - Chakib Jenane, Chief, Agro-Industry Support Unit, United Nations Industrial Development Organization (confirmed)	
		<b>Role of Agriculture Input Suppliers in Farm Machinery Advancements–</b> Executives, DuPont, Pioneer, Monsanto, Syngenta (invited)	
Evening		Gala Dinner at Hotel Tai Mahal	

4 <sup>th</sup> World Summit on Agriculture Machinery     December 5-6, 2013 – FICCI Conference Center, New Delhi Tentative Conference Programme     FRI DEC 6   DAY TWO: WORD FARM MACHINERY INDUSTRY     MODERATOR   Alida Bellandi, President, Guarany Ind. E Com Ltda. and Director, Brozilian Association of Industrial Machinery and Equipment (ABIMAQ) (confirmed)     10.00-11.30am   Session III: Farm Equipment Markets Across The Globe <i>Presentations</i> World World World Summit on Agricultural Equipment (AXEMA) (confirmed)     10.00-11.30am   Session III: Farm Equipment Markets Across The Globe <i>Presentations</i> Worldwide Farm Machinery Markets – Alain Sovary, Agrievolution Chair and General Manager, AXEMA (confirmed)     Mechanization Trends in India – Executive, Mahindra & Mahindra Mechanization Trends in Sia – Executive, Kubota (invited)     Mechanization Trends in India – Executive, Kubota (invited)     Mechanization Trends in Sia – Executive, Kubota (invited)     Mechanization Trends in Sia – Executive, Kubota (invited)     Mechanization Trends in Africa – Mr. Matt Rushing, Vice President, Global President, CNH International and Africa, John Deere (confirmed)     Marketing for Asia, India and Africa, John Deere (confirmed)     Machanization Trends in Africa – Mr. Matt Rushing, Vice President, Global President, Sub (India and Africa, John Deere (Confirmed)     Marketing for Asia, India and Africa, John Deere (confirmed)   Bresonitions	AGRIEVOLUTION				
MODERATORAlida Bellandi, President, Guarany Ind. E Com Ltda. and Director, Brazilian Association of Industrial Machinery and Equipment (ABIMAQ) (confirmed)WelcomeAlain Savary, Agrievolution Chair and General Manager, French Association for Industrial Agricultural Equipment (AXEMA) (confirmed)10.00–11.30amSession III: Farm Equipment Markets Across The GlobePresentations Worldwide Farm Machinery Markets – Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)Mchanization Trends in India – Executive, Mahindra & Mahindra Mechanization Trends in Asia – Executive, Kubota (invited) Mechanization Trends in Europe and Middle East – Mr. Franco Fusignani, President, CNH International and Carlo Lambro, Vice President, New Holland (invited)12.00 – 1.30pmSession IV: New Age Farm Machinery Mechanization Trends in the Americas – Mr. Sid Bardwell, Director, Strategic Marketing for Asia, India and Africa, John Deere (confirmed)12.00 – 1.30pmSession IV: New Age Farm Machinery12.00 – 1.30pmSession IV: New Age Farm Machinery Bresentations Robotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing Engineering (invited)13.00 – 1.30pmSession IV: New Age Farm Machinery Bio-Sensing Engineering (invited)13.00 – 1.30pmSession IV: New Age Farm Machinery Bio-Sensing Engineering (invited)13.00 – 1.30pmSession IV: New Age Farm Machinery Bio-Sensing 		1	December 5-6, 2013 – FICCI Conference Center, New Delhi		
Association of Industrial Machinery and Equipment (ABIMAQ) (confirmed)WelcomeAlain Savary, Agrievolution Chair and General Manager, French Association for Industrial Agricultural Equipment (AXEMA) (confirmed)10.00-11.30amSession III: Farm Equipment Markets Across The GlobeWorldwide Farm Machinery Markets – Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)Mechanization Trends in India – Executive, Mahindra & Mahindra Mechanization Trends in Asia – Executive, Kubota (invited) Mechanization Trends in Europe and Middle East – Mr. Franco Fusignani, President, CNH International and Carlo Lambro, Vice President, New Holland (invited)12.00 – 1.30pmSession IV: New Age Farm Machinery12.00 – 1.30pmSession IV: New Age Farm MachineryPresentations Robotis in Agriculture – Prof. Kondo Naoshi, Laboratory of Blo-Sensing Engineering (invited)Farm Machinery's Role in the Golan – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR) ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)	FRI DEC 6	DAY TWO: WORLD FARM MACHINERY INDUSTRY			
for Industrial Agricultural Equipment (AXEMA) (confirmed)     10.00–11.30am   Session III: Farm Equipment Markets Across The Globe     Presentations   Worldwide Farm Machinery Markets – Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)     Mechanization Trends in India – Executive, Mahindra & Mahindra   Mechanization Trends in India – Executive, Kubota (invited)     Mechanization Trends in Saia – Executive, Kubota (invited)   Mechanization Trends in Europe and Middle East – Mr. Franco Fusignani, President, CNH International and Carlo Lambro, Vice President, New Holland (invited)     Mechanization Trends in the Americas – Mr. Sid Bardwell, Director, Strategic Marketing for Asia, India and Africa, John Deere (confirmed)     Mechanization Trends in Africa – Mr. Matt Rushing, Vice President, Global Product Management for AGCO Advanced Technology Solutions and Electronics Functional Group (confirmed)     12.00 – 1.30pm   Session IV: New Age Farm Machinery     Presentations   Robotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing Engineering (invited)     Farm Machinery's Role in the Food Chain – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR)     ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)     Alain Sovary, Agrievolution Chair and General Manager, AXEMA (confirmed)		MODERATOR			
Presentations     Worldwide Farm Machinery Markets – Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)     Mechanization Trends in India – Executive, Mahindra & Mahindra     Mechanization Trends in Asia – Executive, Kubota (invited)     Mechanization Trends in Europe and Middle East – Mr. Franco Fusignani, President, CNH International and Carlo Lambro, Vice President, New Holland (invited)     Mechanization Trends in the Americas – Mr. Sid Bardwell, Director, Strategic Marketing for Asia, India and Africa, John Deere (confirmed)     Mechanization Trends in Africa – Mr. Matt Rushing, Vice President, Global Product Management for AGCO Advanced Technology Solutions and Electronics Functional Group (confirmed)     12.00 – 1.30pm   Session IV: New Age Farm Machinery     Presentations   Robotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing Engineering (invited)     Farm Machinery for Horticulture and Specialized Crops and Conservation Agriculture – Executive, Kuhn (invited)     Farm Machinery's Role in the Food Chain – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR)     ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)     Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)		Welcome			
Worldwide Farm Machinery Markets – Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)     Mechanization Trends in India – Executive, Mahindra & Mahindra     Mechanization Trends in Saia – Executive, Kubota (invited)     Mechanization Trends in Asia – Executive, Kubota (invited)     Mechanization Trends in Europe and Middle East – Mr. Franco Fusignani, President, CNH International and Carlo Lambro, Vice President, New Holland (invited)     Mechanization Trends in the Americas – Mr. Sid Bardwell, Director, Strategic Marketing for Asia, India and Africa, John Deere (confirmed)     Mechanization Trends in Africa – Mr. Matt Rushing, Vice President, Global Product Management for AGCO Advanced Technology Solutions and Electronics Functional Group (confirmed)     12.00 – 1.30pm   Session IV: New Age Farm Machinery     Presentations Robotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing Engineering (invited)     Farm Machinery for Horticulture and Specialized Crops and Conservation Agriculture – Executive, Kuhn (invited)     Farm Machinery's Role in the Food Chain – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR)     ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)     Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)	10.00–11.30am		Session III: Farm Equipment Markets Across The Globe		
Mechanization Trends in Asia – Executive, Kubota (invited)Mechanization Trends in Europe and Middle East – Mr. Franco Fusignani, President, CNH International and Carlo Lambro, Vice President, New Holland (invited)Mechanization Trends in the Americas – Mr. Sid Bardwell, Director, Strategic Marketing for Asia, India and Africa, John Deere (confirmed)Mechanization Trends in Africa – Mr. Matt Rushing, Vice President, Global Product Management for AGCO Advanced Technology Solutions and Electronics Functional Group (confirmed)12.00 – 1.30pmSession IV: New Age Farm MachineryPresentations Robotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing Engineering (invited)Farm Machinery for Horticulture and Specialized Crops and Conservation Agriculture – Executive, Kuhn (invited)Farm Machinery's Role in the Food Chain – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR)ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)			Worldwide Farm Machinery Markets – Alain Savary, Agrievolution Chair and		
Mechanization Trends in Europe and Middle East – Mr. Franco Fusignani, President, CNH International and Carlo Lambro, Vice President, New Holland (invited)Mechanization Trends in the Americas – Mr. Sid Bardwell, Director, Strategic Marketing for Asia, India and Africa, John Deere (confirmed)Mechanization Trends in Africa – Mr. Matt Rushing, Vice President, Global 			Mechanization Trends in India – Executive, Mahindra & Mahindra		
President, CNH International and Carlo Lambro, Vice President, New Holland (invited)   Mechanization Trends in the Americas – Mr. Sid Bardwell, Director, Strategic Marketing for Asia, India and Africa, John Deere (confirmed)     Mechanization Trends in Africa – Mr. Matt Rushing, Vice President, Global Product Management for AGCO Advanced Technology Solutions and Electronics Functional Group (confirmed)     12.00 – 1.30pm   Session IV: New Age Farm Machinery     Presentations Robotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing Engineering (invited)     Farm Machinery for Horticulture and Specialized Crops and Conservation Agriculture – Executive, Kuhn (invited)     Farm Machinery's Role in the Food Chain – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR)     ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)     Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)			Mechanization Trends in Asia – Executive, Kubota (invited)		
Marketing for Asia, India and Africa, John Deere (confirmed)Mechanization Trends in Africa – Mr. Matt Rushing, Vice President, Global Product Management for AGCO Advanced Technology Solutions and Electronics Functional Group (confirmed)12.00 – 1.30pmSession IV: New Age Farm MachineryPresentations Robotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing Engineering (invited)Farm Machinery for Horticulture and Specialized Crops and Conservation Agriculture – Executive, Kuhn (invited)Farm Machinery's Role in the Food Chain – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR) ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)			President, CNH International and Carlo Lambro, Vice President, New Holland		
Product Management for AGCO Advanced Technology Solutions and     Electronics Functional Group (confirmed)     12.00 – 1.30pm   Session IV: New Age Farm Machinery     Presentations Robotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing Engineering (invited)     Farm Machinery for Horticulture and Specialized Crops and Conservation Agriculture – Executive, Kuhn (invited)     Farm Machinery's Role in the Food Chain – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR)     ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)     Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)					
PresentationsRobotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing Engineering (invited)Farm Machinery for Horticulture and Specialized Crops and Conservation Agriculture – Executive, Kuhn (invited)Farm Machinery's Role in the Food Chain – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR)ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)			Product Management for AGCO Advanced Technology Solutions and		
Robotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing Engineering (invited)Farm Machinery for Horticulture and Specialized Crops and Conservation Agriculture – Executive, Kuhn (invited)Farm Machinery's Role in the Food Chain – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR)Closing RemarksAlain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)	12.00 – 1.30pm		Session IV: New Age Farm Machinery		
Agriculture – Executive, Kuhn (invited)Farm Machinery's Role in the Food Chain – Leadership, International Maize and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR)ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)Closing Remarks			Robotics in Agriculture – Prof. Kondo Naoshi, Laboratory of Bio-Sensing		
and Wheat Improvement Center (CIMMYT) and Consultative Group on International Agriculture Research (CGIAR) ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited) Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed) Remarks					
Closing Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed) Remarks			and Wheat Improvement Center (CIMMYT) and Consultative Group on		
Remarks			ISOBUS – Leadership, Agriculture Industry Electronics Foundation (invited)		
1.30 pm Luncheon		-	Alain Savary, Agrievolution Chair and General Manager, AXEMA (confirmed)		
	1.30 pm		Luncheon		

## As of 5-22-13
